YOU, THE SUPPORTERS ARE THE WINNERS

Supporters are the life and sole of any club whether it be big or small but for too long the needs of these very people have often been ignored.

So when thinking of ways to get the supporters more involved in match day activities, the NSW Soccer Federation came up with a unique idea.

It was decided that the Federation would supply tickets to each of clubs on a weekly basis for the entire season.

Each paying customer and season ticket holder that receives one of these tickets as they come through the gate at the Super League match they are attending, has the chance to fill out the back of the ticket and go into the draw for a prize that will be drawn at half time of the main game.

The tickets will have on them a space where they can fill out their Name, Address and a Contact Number, where they then place it into a barrel provided by the club and they could win a prize to the value of $50 or more.

The prizes are the responsibility of the home clubs every weekend and just some of the prizes on offer will be petrol, soccer boots, dinner for two, sporting goods, etc. However, even if you don't win a prize at the game, all tickets go into the second chance draw. Every ticket from every ground that is sold during the 1996 season will be sent to the N.S.W.S.F, where they will go into a giant sized barrel and one lucky winner will be drawn to win a trip for two (2) staying at a luxury resort or hotel up at the Goal Coast, flying Ansett Airlines (more details will be provided as they come to hand).

With this and plenty of great Super League action in store for this season, supporters are sure to get their money's worth.

MEILAK STARS IN

Malcolm Meilak, one of the youngest players on the park, stole the show ahead of his more experienced peers, with a five-star performance in Parramatta Eagles 4-0 win over Leichhardt Tigers at Lambert Park.

Meilak had a hand in all four Parramatta goals including a hat-trick for himself, as the Eagles made a successful return to the NSW State League.

Back in the Super League after six seasons in the National League, Parramatta's rebuilt side completely dominated the Tigers, who were reduced to ten men after only 25 minutes when Bob Casserley was ruled to have used an elbow on Tony Danaskos in a challenge for the ball.

In fact, Eagles coach Washington Gonzalez now has a nice headache, with his two main strikers in Scott Gilbert and Geoff Gunning both set to return in the next few weeks and Meilak and Richard Machado both in good form.

The game was evenly poised early on with Parramatta more fluent in attack but they came up against a very dogged Tigers defence and goalkeeper Frank Mikuletic who was once again showing good form early in the season.

However with Casserley's dismissal the game as a contest was effectively over as Parramatta played a very intelligent and patient game which had the Tigers players breathing rather heavily at half-time.

At 0-0 at the break, Tigers fans were still hopeful there team could still get a result but within 30 seconds of the restart their hopes were dashed.

Meilak receiving the ball on the left beat Craig King with some deft footwork before placing an excellent cross over to Machado who was waiting at the back post and he made no mistake with a powerful header that gave Mikuletic no chance.

This seemed to break the Tigers spirit as Parramatta came swarming forward in numbers and seven minutes later they went two up with Meilak's first goal. Machado seized on a bad back-pass by Jeremy Pettenon, his shot being well smothered by Mikuletic but the rebound was pounced on by Meilak who made no mistake from 10 yards.

Three minutes later, Meilak had his second when a controversial ruling by the referee involving a back-pass which appeared to come off Meilak resulted in a free kick only 5 metres out. Meilak waiting at the far post received a good low ball and buried his shot past the hapless defence on the goal-line.

Parramatta continued their onslaught at they controlled the ball to perfection and waiting

PARRAMATTA WIN

patiently for the gaps to open. Only good keeping and some sloppy finishing prevented the score being added to .

However it was only a matter of time before they would score again and Meilak"s hat-trick arrived 15 minutes from the end when he latched onto a cross by Machado, his stinging volley taking a slight deflection on it's way to goal.

Coach Gonzalez was a happy with the win but was not getting carried away saying, " While I was pleased with the result, I can still see a lot of improvement in my players."

"We had a few things go our way today and I was pleased that my players played it very professionally and in the end score a fairly convincing win."

Asked about Meilak, Gonzalez had nothing but praise, "Malcolm's effort was superb and he has a lot of potential. He could go a long way in this game and he showed today he has got the game and will to succeed at a high level."

Leichhardt coach Tony Pezzano was bitterly disappointed with the result saying, "It was always going to be a difficult match for us today but to try and win with 10 men made it just that twice as difficult. We gave them three soft goals which they took very well and a number of my players dropped their heads which disappoints me more."

Leichhardt: Mikuletic, Segreto, Green, Casserley (RC), Pettenon (Talcevski), King, La Grazia (Zec), Bourke, Xuereb, Telisman, Cleary (Blinoff).

Parramatta: Holmes, Souris, Reveley, Ashton, Kuleski, Danaskos, Surjan, Machado, Ortiz, Haythorthwaite (Huxley), Meilak.

Best Players: 3 - Malcolm Meilak 2 - Christian Ortiz

LIONS SWALLOW BERRIES AT JENSEN

Bankstown City Lions issued a warning to all other teams in the competition that they are a team to watch out for in 1996, with a stunning 5-1 win over last years Waratah Cup finalist Canterbury Marrickville Berries.

Bankstown took the initiative early with Saso Petrovski netting in the 4th minute and then five minutes later Nikolce Joseski scored his first of the season.

Canterbury hit back shortly before the break when awarded a penalty which was coolly converted by John Manolopoulos, however a minute later Petrovski netted his second to give the Lions a 3-1 half-time lead.

Using their wide players Stewart Van Bentum and Stephen Eagleton to perfection, the Lions continued to create plenty of opportunities and in the 50th minute Saso Boskovski scored their fourth.

Van Bentum capped off a terrific match with a goal in the 70th minute to finish off the scoring.

Bankstown: Viskovich, Younis, Boskovski, Celik, Jebraiel (Wurth), Todoroski (Lardis), Petrovski, Joseski (Celik), Eagleton, Van Bentum, Contigiani.

Canterbury: Tolios, Hantzis, M Raeburn, Manolopoulos, Percy, Jerkovic (Markopoulos), Tsaousidis (Christoforidis), Drouzas (Christou), B Raeburn, Solidakis, Ilic.

CHAMPS HOME AGAINST COASTIES

Central Coast in their first season of Super League, nearly pulled off a great escape act before going down 1-0 to defending champions Warringah Dolphins at Cromer Park.

The Coasties, down to ten men for more than half the match, were only eight minutes away from securing a remarkable draw when Matthew Lowe snuck in to grab a vital victory for the Dolphins. Warringah had the better of the early exchanges and put the Coasties under enormous pressure which saw Steve Cutler earn his second yellow card in the 35th minute and his marching orders.

The Coasties however came out with a great deal of determination withstanding the Warringah pressure and forcing a number of chances themselves before Warringah debutante Dean Harding found himself also with an early shower after going in for a challenge on the goalkeeper Grant Smith, which left the keeper in a very bad way.

Lowe goal with eight minutes left killed off the Coasties challenge despite a late flourish on the Warringah goalmouth.

Warringah: Greco, Lucia, Moss, Dauzacker, Barbalace, Guzzo, Lowe, Harding (RC), Sekulic (Etherington), Panetta, Beldham.

Central Coast: Smith, Cutler (RC), Northam, Drysdale, Knight, Huxley, Clark, Thompson, Heighway (Roberts), Bryn (Melverton), Ollier.

Best players: 3 - Matthew Lowe 2 - Mark Beldham 1 - Andrew Clark

FIRST UP WIN FOR THE BUDS

Adamstown Rosebud scored their first ever Round 1 victory in the Super League with a workmanlike performance to beat the St. George Saints 2-0 at Adamstown Oval.

Last seasons poor start to the season was quickly forgotten as the Buds wore down the Saints and grab goals either side of the break for a well deserved win.

St. George to there credit played their part in a good match with some very good passages of play, with nimble midfielder Steve Karavatakis at the heart of many attacks.

Good chances though were hard to come by in the first half and it wasn't until the dying minutes that Adamstown struck for the opening goal. Karavatakis was dispossessed by Graham Jennings near the halfway line, who released Dale Robertson and his cross found Liam McGuire who made no mistake from six yards.

Twenty minutes after the break Adamstown scored again when Craig McGregor's free kick deflected off the wall into the path of Rocco DeGrandis who squared a great ball to David Bock who made no mistake from close range.

St. George tried valiantly to come back but resolute defence and some wayward finishing saw the score remain at 2-0.

Adamstown: Baker, Hudson, Jennings, DeGrandis, Owens, Jonas, McGregor, Budden, Bock, Robertson (Parker), McGuire.

St. George: Kostadinovski, Scotti, Treharne, Milicevic, Martinez, Karavatakis, McAusland, Araujo (Totaro), Katholos, Savoca, Papageorgiou (Pillemer)

Best players: 3 - David Bock 2 - Steve Karavatakis 1 - Chris Jonas

SHARKS SURVIVE RAMS LATE SURGE

Stuart Porter marked his return to the Super League, with the winning goal in the Sutherland Sharks hard fought 1-0 win over a courageous Macarthur Rams at Seymour Shaw Park.

The Sharks, with the impressive new grandstand on display for the first time this season, had to withstand a barnstorming finish by the Rams in the second half before grabbing the three points.

Porter's 19th minute goal, the first of the new season, continued his impressive form early in the season which saw him score a number of goals in pre-season friendlies. His powerful header at the far post from Shane Clinch's cross, showed just why his presence is so vital to the Shark's with a proven goalscoring record at this level.

Played in poor conditions, Sutherland were by far and away the better side in the first half, mixing up their attack with patience and also some long through balls which had the Rams defence back-peddling on a number of occasions.

The Rams in attack were finding it difficult to penetrate with the first shot of any significance coming right on half-time from the boot of Ivan Maric going inches over the crossbar.

However it was different story in the second half as the Rams showed a lot more commitment in attack throwing numbers forward at every opportunity.

They were unlucky not to have an equaliser shortly after the break, when a Steve Sweeney corner was met by a powerful header by Danny Cerjak which beat Sutherland keeper Scott Preston but not the foot of Greg Lerond who cleared off his line.

Sutherland were relying on the quick break and a number of times should have put the game out of Macarthur's reach but some excellent keeping by David Hayes, who had a blinder in goals, kept his side in the game.

Rams coach Hugh McCrory in a desperate bid for an equaliser threw on Scott McArdle and Warren Hayward, with Hayward nearly catching Preston out with a cross that hit the top of the crossbar and missing with a header from in front of goals.

Sutherland coach Peter Terry was very happy saying, "We nearly let them back in in the second half but we held out very well and really should have put them away with a few of the quick breaks in the second half."

McCrory was a little disappointed saying, "I thought we deserved a point from the game with our show in the second half and I was pleased with the way we came back after a poor first half."

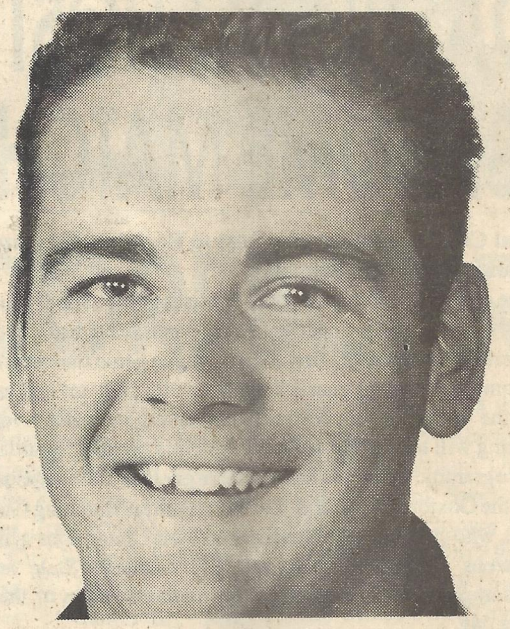
Sutherland: Preston, Donnelly, Lerond, Dowling, Henderson, Clinch, Thomas, Bard, Porter (Klower), Phillis (Christodoulou), Cabassi.

Macarthur: Hayes, Sweeney, Radic, Cerjak, Bazdaric (McArdle), Stojcevski (Hayward), Clune (Shipley), Maric, Fedele, Green, Newson.

Best Players: 3 - David Hayes 2 - Stuart Porter 1 - Scott Henderson.

JASON CONNOLLY OUTSHINES THE SUNS

Jason Connolly at the heart of Blacktown City's defence in 1995 but against the Rockdale Suns at the Rockdale Ilinden Sports Centre he turned striker to good effect with two sensational goals in his teams 4-1 win.



Later it was revealed that Connolly had played several seasons as a junior in the striking position and he showed just why new coach Kelly Cross took the gamble of playing him up front this early in the season.

He opened the scoring after only two minutes capitalising on a defensive mistake and then three minutes later Steve Berry also pounced on some uncertainty in the Suns defence scoring the Demons second.

Rockdale hit back soon afterwards with new signing Steve Zoric (from Macarthur) scoring with a well struck shot that beat the keeper at the near post.

Rockdale started the second half in earnest with Demons keeper Dragan Pupovac pulling off a good save from a Grant McDonald shot but it all turned sour when Jaime Valle made a great run into the box before being brought down in the box. Pat Bradley made no mistake from the spot.

Blacktown sealed the match when Connolly crashed home a header from only four yards from Bradley's corner.

Rockdale: Warren, Spasevski, Fernandes, Friedli,G. McDonald, Markovski, Williams, I. MacDonald, Zoric, Ribarovski, Makic.

Blacktown: Pupovac, Doyle, Connolly, Langan, Foxe, Driene, Bradley, Berry, Versi, Gigliotti, Valle.

Best players: 3 - Jason Connolly 2 - Steve Berry 1 - Zlatko Markovski

ROCKDALE Suns

* The big news at the Club is the new coach. Highly successful ex-Australian National Coach Rale Rasic is in control of building a young yet competitive squad for 1996. The players are responding well with some good results in the trials. The team will have experienced players like Zlatko Markovski, Keith Warren and Paul Fernandes plus several talented National League players.
* A huge crowd is expected at the opening match with the Suns new Clubhouse on show. Great inroads have been made in the off-season with all systems go. Everyone is welcome to see the new facilities and enjoy the game.
* Welcome back to Keith Warren and Anthony Friedli. Going on holidays overseas is always a good way of getting out of pre-season training.
* On the administrative side Peter Kotevich and Mendo Cklanovski are still the President and Secretary while the new Treasurer is Ponde Chamkovski and the new Vice-President is Mitre Tansevski.

PAUL FERNANDES CAPTAINS HIS FIRST MATCH

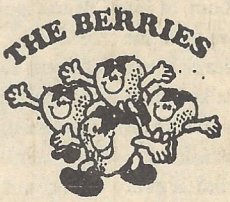
Stay tuned for his report from the "Dressing Room"

Rockdale had several special guests at the match against Blacktown including the Mayor of Rockdale Bill Saravinovski and the new Federal ALP candidate for Barton Robert McLelland (taking over from Gary Punch). It was good to see support from the Rockdale City Councillors as the Rockdale City Suns opened their account.

Jovan Ckorovski, currently serving a suspension from last season vows not to receive any more cautions this year after finding it hard to look on. He also promises to score a few goals this season.

We will hopefully be able to provide some interesting stories from Keith Warren and Anthony Friedli who just returned from overseas. There is something about Denmark that Anthony wasn't keen on talk about that we'll have to get.

CANTERBURY BERRIES



* The Berries' next dance on the 16 March promises to be one of the best, and with good reason ....

1st Prize in the night's raffle will be a brand new car!! 2nd Prize is a return Air Ticket to Greece. Enquiries: please thing John Theodoropoulos (secretary) 587 4997

* The Club's Development Officers this year will be Michael Karlamis and Sam Solidakis.
* Finally, the Club also publicly thanks the Bonnyrigg White Eagles for their hospitality and in allowing the Berries to share their wonderful home ground in 1996.

HOENSELAARS NETS A HAT - TRICK AGAINST ILLAWARRA LIONS

Mark Hoenselaars reconfirmed his huge potential with a superb match winning hat-trick in Bonnyrigg White Eagles 5-2 win over the Illawarra Lions at the Serbian Centre on Saturday night.

Hoenselaars, who failed to capture a regular spot last season, grabbed the spotlight in the final ten minutes to net twice to seal victory after Illawarra had fought back to draw level.

Bonnyrigg took control of the match midway through the first half with two goals within a minute. Hoenselaars grabbed his first goal in the 22nd minute and then a minute later debutante Jason Flynn, a signing from Mt. Druitt Town, made it 2-0.

However the over confident Bonnyrigg team were caught napping on the break by the Lions with Anthony Guido scoring just before half-time.

A see-sawing second half had the crowd of 1500 sitting on the edge of their seats and when Roman Nikolic was sent off the Lions grabbed an equaliser from nippy forward Peter Preston.

However the Lions fight back was quickly evaporated by Hoenselaars two goals in the space of three minutes and then by Mirko Ninkovic's injury time goal to give Bonnyrigg what looked like a very resounding win.

Bonnyrigg: Nestorovic, Suzor, Moffitt, Davenport, Nikolic, Flynn (King), Soper (Ninkovic), Djuric, Hoenselaars, Gajic, Ghisso (Agius).

Illawarra: Graskoski, Watton, Sterjovski, Murray, Driene, McClaren, Naumovski, Preston, Chipperfield, Guido, Macolino (Ayala).

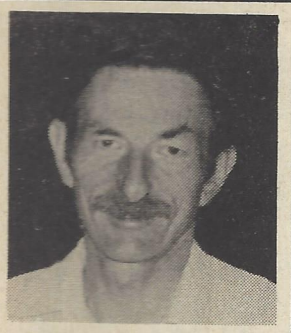
THE OTHER DIVISIONS



DIVISION 1 with PAUL GOODWIN

There have been some more developments in the Federation's lower divisions since our last issue.

The amalgamation between former 3rd Division Club AC United and 2nd Division Bankstown has left vacancies in the divisions below. More on that later. Meanwhile ....

FIRST DIVISION NEWS

Auburn coach Mike Johnson has been slowly getting his players back into shape after the summer lay-off.

There is not a great deal to report at this early stage with up to 25 players trying out at present. Nahad Ahmed, the top marksman, is back and will be a huge asset once more.

Johnson is carefully sifting through the available talent and is pleased to see that most of last year's players are still there.

He has already recruited the nippy flankman Danny Blanco and is still looking to strengthen his squad.

The team had a good hit-out against Super League Rockdale, winning 2-0 recently. They were set to play Parramatta City last weekend.

Last year the team did better than expected and could go even further this time in what is shaping as a much stronger competition.

Bathurst

Kelso Park conditioner Joe Judge is very pleased to have his side playing 1st Division soccer this year for it means that he has been able to hang on to versatile skipper Paul Waine and the reliable Scott Mutton.

All the others are back too.

The new Under 18 side will be a big challenge and has inspired former NSW Academy member Archie Thompson to pull on his boot again. Judge has earmarked a spot in the senior side for Thompson later in the season.

They were looking forward to a tough trial with Greystanes last weekend and follow up with a trip to Dubbo this weekend against a select side.

Belmore

The club is putting a great emphasis on youth this term and is stressing the achievements of its own club production line.

For not only will many Under 21 players be in line for first grade sports, but one of its long standing former juniors, Jim Dyonisopoulos, 24, will coach the Under 18's this season. The player has been with the club since the Under 9's and has played with the club at all senior levels until deciding to concentrate on coaching this year.

Meanwhile, new 1st Grade coach, John Xipolitas, a business associate of last year's all conquering chief Nick Theodorakopoulos, is looking forward to another bright season at Blick Oval.

With the core of last year's team still on hand, Xipolitas has plenty to work with, including Harry Kouklidis, John Cosentino, Nick Plataniotis, Jim Mellisourgis and Jason Lal. He has been able to bring in Jimmy Nikas and Jose Mendes as well as young 'keeper Iliya Tritsaris.

The team was due for an all Greek derby trial with Southern Minotaurs last weekend to test them out early.

Dulwich Hill

Many changes at Arlington Oval where old warhorse Kevin Gaffney has been persuaded to have another crack along with fellow defender David Bennett. And while Sepp Disch will be back, the retirement plans of reliable backline players Craig Bass and David Naylor have remained firm at this stage.

Prolific scorer Sam Berlinha looks ready to assume a more regular role up front this season and there could be opportunities for many trialists too this time around; but the side has been slow in getting its trial game agenda under way compared with most rival clubs.

Fairfield Bulls

The Bulls have been busy piling on 100 tonnes of topsoil at the request of new coach Rene Lillo who wants to show the Fairfield fans just what his men are capable of at Nineveh Field this year.

Lillo has been able to hang on to stop Robbie Grubba as well as Jamie Nunez and Leo Pintos.

He has coaxed former Colo Colo striker Rodrigo to join him and has also secured George Cerro from Parramatta Eagles and 'keeper Tony Marco, last seen with Bankstown Sports.

The team had a comfortable 4-2 win over Moorebank recently, after leading easily 4-0 at half time and Lillo believes that his new side will go extra well, without making any extravagant promises.

Hills United

The Hills boys have had few trial games and Lawrie McKinna has them looking really good. It is shaping as a much stronger squad than last season and only a few unfortunate injuries have marred the team's preparations so far.

Darren Read and Adam Moras, latterly of Auburn, are training well with Hills and the side has been a look at striker Bernie Voloder too. With a chance that ex-Blacktown skipper Andrew Brockbank will be able to secure the time he needs off work to manage another season, prospects of a good backline are excellent.

Another former Demon Damien Thompson is also going well in defence partnering Lawrence Hall and Hayden

1996 PREVIEW - WEEK 2

Begbie.
Doubled with Andrew Bow's workrate and Randell Easthorpe's individual skills it could be a big year for the men from Castle Hill.

Mt Pritchard

Mounties are quietly preparing for another good season, retaining most of their players for last season and adding some further quality over the summer.
There are trials scheduled at Cook Park almost every week and the team could surprise many this year.

Penrith Panthers

A recent 3-0 loss in a trial with Greystanes at the Weir is unlikely to be significant, but it must have delighted 2nd Division Greystanes.
Penrith have decided to sign Peter Bennett, John White and David Fitzharris and are also looking at Mark Downs, David Close and Mark Moffett among several others.
Stan Ackerley is looking for a good goalkeeper, having lost Mike Gibson to Sydney Olympic, but is pleased to see that Robbie Cook has recovered from last season's bad injury and is training the place down.

Ryde City Gunners

Ryde players are looking very fit already after being but through their paces by specialist coach Ian Wood who physical preparation programme includes dietary components.
Head coach Les DeCelis has been overseas on business and will be keen to run an eye over a few potential new recruits, including a top goalkeeper and bunch of players recruited from the former Bankstown Sports team.
Evergreen John McKie has been looking sharp and the front runners should be among the goals again. The coach's main concern will be in tightening the defence and he could solve that problem soon.
Ashely Williamson has called it a day, and Mark Abi Arrage has moved on, as have Rick and Chris Giometti.

Southern Minotaurs

Peter Sarikakis has managed to keep together his strong squad from last year, with a few new players expected to link up soon.
The versatile Peter Spais suffered an injury recently in training and is awaiting the results of an arthroscope operation to determine if his affected knee is suffering cartilage or ligament damage.
Tony Mihajlevic is looking nippy, while 'keeper John Mylanos seems certain to carry on where he left off last year as number one choice custodian in a tam which always shows great fighting qualities.

Sydney Cosmos

The Cosmos have been able to pick up Darren Iocca to compensate for the unexpected loss of Jason Oldridge. Oldridge has won a 3 year soccer scholarship and has left for the United States.
Iocca should give them much fire power in a star-studded line-up.
George Kalogeras, who had a big year at Belmore in 1995, is another who is bound to make an impact.
Added to Vadim Mikoutsky, a Latvian International, Gerry Gomez, Grant Lee and Tony Spyridakos, the talents of Peter Papoythis and Paul Richardson, last seen with Granville Green Island and all the ingredients are there for success in 1996.

2nd DIVISION

Concord Juniors will be one of the pace-setters in the section in the coming season, according to new coach Tony Dunn.
He has persuaded the Apanian brothers, Wally and Michael, to link up after the pair were absent overseas all last season.
Their vast experience with clubs like Liverpool, Bankstown Fairfield Granville and Canterbury will be put to good use there.
Dunn has high hopes of getting Bruno Beddoni to sign again and there will be about two thirds of last year's team on hand for the new campaign.
These include current Player of the Year Sal Zullo and skillful midfielder Adrian Ciscato.
New to the club are Jack Skoro, ex-Sydney Cosmos defender, Daniel Fedele from the same outfit and ex-Easts link-man Dave Fernando.
A pair of national defence force players, goalie Mark Stock, a Tasmanian, and Steve McNaughton a defender are also on deck.
There are promises that more headliners will follow soon.

3rd DIVISION

This Sunday 18th February, at 4pm at Valentine Park, Hawkesbury City and Fraser Park, originally set to play in 4th Division this year will now play off for the vacant 3rd Division position created by the departure of AC United to recently merged with 2nd Division side Bankstown Sports.
Fraser Park had been relegated, while Hawkesbury finished just behind newly promoted clubs Glebe Wanderers and the Wanderers, in 4th Division last season.
The other divisions have settled down with Arncliffe Scots moving up to take the now vacant 4th Division spot.

MARCONI TO TAKE ON ITALY'S BEST

WSL Champions Marconi next Tuesday embark on a tour of Italy to test their skills against the best the Italians have to offer.

Their twelve day itinerary includes three matches against Serie A teams - ACF Monza in Milan, ACF Agliana in Florence and ACF Lazio in Rome. The playing schedule will then end with a game against Lazio's Youth side. The Serie A Women's League hardly rakes in the fortunes on their male counterparts, but the females do lead a semi-professional football career.

For Marconi, Italy was the obvious tour destination. Club Marconi has strong connections with Italy, and every year or so organises one of its boys teams to make the trip.

Australian women's soccer also has Italian connections, with World Cup striker Angela Iannotta playing her trade with ACF Agliana, the current national champions. Iannotta has organised the match schedule for Marconi.

Marconi certainly has the playing resources to take on top European opposition, their ranks boasting World Cup players and several current State Team Members. 1995 was the most successful of season, the club making a clean sweep of the WSL Minor Premiers and Champions in both First and Reserve Grades - then completing the rout with the Waratah Shield title.

All players have had to raise their own funds for the trip, with fundraising activities in full swing for over six months including everything from raffles and carwashes to coaching clinics.

Marconi intends to take in the full football experience on tour, taking the opportunity to witness first hand the skill and atmosphere of the renowned (men's) Serie A with tickets to the Lazio vs Inter encounter.

With Iannotta now enjoying her fourth season in Italty, perhaps some Marconi players will be tempted to try their luck in Europe.

It will be interesting to see how our top club side matches up against the semi-professional Italians. Marconi certainly intend to continue their winning ways of 1995 whilst on tour before returning in March to defend their WSL titles.

Tour Itinerary

20 February - Depart Sydney; 21 February - Travel to Milan; 22 February - Marconi vs ACF Monza; 24 February Watch Monza vs Verona (women's); 25 February - Travel to Florence; 27 February - Marconi vs ACF Agliana; 28 February - Travel to Rome; 29 February - Marconi vs ACF Lazio; 1 March - Marconi vs ACF Lazio Youth Team; 2 March - Watch Cagliari match; 3 March - Watch Lazio vs Inter (men's); 4 March - Depart Italy.

NNSW WOMEN MERGE

Twenty years of isolation for women's soccer in Northern New South Wales came to an end earlier this month when Women's Soccer Associations from Newcastle to the NNWS-Queensland border voted overwhelmingly to dissolve the Northern NSW Women's Soccer Federation and merge with the Northern NSW Soccer Federation.

This makes NNSW only the second behind New South Wales to bring the administration of both men's and women's football under the one management at a time when such a move is being encouraged.

General Manager of the Northern NSW Soccer Federation, Garry Screen welcomed the move saying the decision enables the Federation the opportunity to enhance the excellent work previously carried out by Women's Soccer NNSW under one soccer banner in the State. "Soccer is a game that everyone can play and enjoy. For families it's always provided a great package deal. The main benefit of this merger is that soccer opportunities will be provided equally to both female and male players at all levels."

Margaret Fulham, the then President of WSNNSW was enthusiastic about the merger saying, "It is a decision which makes us one of the most progressive States. Now we can concentrate on the real business of developing the game for all.

Our elite players can look forward to greater access to the coaches currently working within the NNSWSF structure, our coaches will have greater development opportunities, and our club players may find themselves better off financially."

Blowing the Whistle with Phil Hafey

This week I will deal with stoppage time, a topic that created a great deal of publicity during the Ericsson Cup competition.
Soccer Australia's Instructions to Referees, which have been circulated to all clubs, restate FIFA's objective of "Maximising Effective Playing Time".
The Laws of the Game state that:
The duration of the game shall be two equal periods of 45 minutes ... subject to the following:
a. Allowance shall be made in either period for all time lost through substitution, the transport from the field of injured players, time-wasting or other cause, the amount of which shall be a matter for the discretion of the referee.
b. Time shall be extended to permit a penalty-kick being taken at or after the expiration of the normal period in either half.
In addition to the time lost through substitutions and injuries, referees have been directed to add time lost through such cases as:
- cautions and send-offs
- referees speaking to players
- players 'discussing' decisions with the referee
- the organisation of defensive walls
- players celebrating goals
- ball over the fence or a long way from players or ball boys
- delays in restarting the game through any other cause

I is not uncommon for 5 minutes or more to be added, particularly in the second half of the match when many substitutions take place. Spectators should be aware that in 45 minutes of football the ball is, on average, in actual play for less than 30 minutes and it is for this reason that referees have been directed to ensure that actual playing time is maximised.
In addition to adding time for the delays listed above, referees have also been directed to ensure that players do not unnecessarily delay the restart of play. One of the strategies referees use is to caution players who deliberately waste time. Such action can include:
- preparing to take a throw-in or free-kick but then leaving it for a colleague.
- kicking or carrying the ball ways after the referee has stopped play for any reason.
- standing in front of or near the ball to delay the taking of a free-kick or to allow time for the defensive wall to be organised.
- failing to retire 10 yards at the taking of a free-kick.
- excessively delaying the taking of a throw-in, free-kick, gaol-kick or any other restart

Players who deliberately delay the game are playing contrary to the spirit and letter of the Law and will be dealt with accordingly. The directives give to referees are designed to provide spectators with the best value for money and to encourage attacking football.

ELITE PROGRAM KICKS OFF

Following the recent announcement of the new-look Australian OAP Squad and train-On Squad, players this week kicked off National Elite Program proceedings to mark the arrival of the next World Cup/Olympic Games campaign.

All members of the two Squads aged Under 21 were invited to attend the five-day Training Camp in Melbourne which started last Sunday.
An important first hitout for the youngsters, each player was put under close scrutiny by National Coach Tom Sermanni and his assistants in what will become an ongoing process of evaluation and monitoring.

The highlight of the week was a match yesterday (Wednesday) against a Victorian Select Team prior to the Socceroos versus Japan fixture at Bob Jane Stadium.
NSW players in camp were Belinda Barter, Jacki Hadden, Joanne Peters, Kristen Spinner, Gill Thomson, and Michelle Watson.
Just days later, many of these same players are then called into action for the Australian OAP Squad Training Camp, this time in the sun of Southport on Queensland's Gold Coast.
Scheduled for 22-26 February, this will be the first gathering of the inaugural OAP Squad as a group, except for the four overseas based members, and no doubt will be an intense period of training assessment and planning.
Here also, the program incorporates a feature match to precede the Socceroos versus Sweden International. The Suncorp Stadium crowd will witness the Aussies take on a Queensland Select which in itself will contain several National Squad players.
NSW players making the trip to Southport will be sixteen year old midfielder Joanne Peters, dynamic striker Katrina Boyd, and skilled attacker Michelle Watson.

PENRITH PANTHERS ONLY NEW CLUB

The 1996 Youth League season sees only one new club joining the ranks in Penrith Panthers, entering in Division Two.

Panthers has been a great success story having begun some six years ago in Federation Division 6 and moving up to 1st Division in 1996.

Penrith Soccer Club which fields junior teams in the Nepean Association competitions is the parent club and in 1989 decided to enter, what was at that stage basically an All Age team, into the NSW Soccer Federations State League.

In 1990 they fielded their first federation side and at the end of the season were immediately promoted to Division four.

The end of the season saw yet another promotion, this time into division three where the club remained for two seasons before moving into Division two in 1994. Initially the federation teams adopted the name of the Junior Club Penrith Soccer Club but four years ago after negotiations with the Penrith Panthers Leagues Club, the Panthers agreed to sponsor the side and so a tremendous partnership began to unfold.

Since the early days Panthers have increased their sponsorship and involvement to the point where the senior teams now used the outside ground at panthers Stadium as their home ground, as well as being able to enjoy all the available facilities.

The club has already boasted some prominent names among their ranks and in 1995 were able to secure the services of Ericsson Cup goalkeeper Mike Gibson on loan from UTS Olympic.

Penrith Soccer Club remain the parent club and the Federation teams are closely linked to the Junior Club.

Stan Stafford is the proud secretary of Penrith Soccer Club and has been heavily involved in the progress of the Penrith Panthers which he believes is the future of Soccer in the far western Sydney district.

Panthers now find themselves just two steps away from the Ericsson Cup but they have not considered the possibility of involvement in the National competition as yet.

"At this stage we have no plans to join the Ericsson Cup but will continue to take things one year at a time and see what develops," said Stafford.

The clubs Youth League teams will be playing their matches at Weir Reserve, Penrith which is situated right alongside the Nepean River.

First Grade Coach Stan Ackerley doubles as the Clubs Director of Coaching and works closely with the junior sides.

This seasons Under 16's will gain valuable experience by training once a week with the first grade side with the object of encouraging high quality up and coming players who will eventually filter through into the first team ranks. Currently there are a number of Associations who have formed a close working relationship with their areas Senior Clubs including Southern Districts and Marconi, Granville Association and Parramatta Eagles, Blacktown Association and Blacktown City, Manly Warringah Association and Warringah Dolphins.

Super Soccer asked Stafford if the future might bring a similar partnership between Penrith Panthers and Nepean Association.

"It has got to be the way to go and I think it will definitely happen soon or later," answered Stafford. "It is Up to people to work together for the overall good of the game."

1996 Youth League coaches for Penrith Panthers are as follows; Under 13's - Jim Norwood, Under 14's - Darius Hantu, Under 15's John Green and Under 16's Brad Earl. The club colours are similar to the famous ruby league side and the Youth League will be playing in a white top with red, green, yellow and black trim and black shorts with similar trim.

ITC CROWD PLEASER

The big clash of the ITC's with NSW taking on the ACT, as predicted turned out an exciting and skillful encounter, demonstrably appreciated by the 5,000 strong crowd at Brandon Park last Saturday evening.

The young NSW squad, with just three Australian Squad members and the majority of its players aged sixteen or under, more than matched it with the older, more experienced ACT outfit boasting a total of six Australian Squad players. ACT however were able to convert their chances into goals and emerged victors with a scoreline of 3-2, although NSW were unlucky not to play out a draw.

ACT was sent reeling when after just three minutes they found themselves a goal behind to some brilliant NSW attack, the Blues' OAP Squad members Joanne Peters and Katrina Boyd combining perfectly. Peters sent in a pinpoint cross for Boyd to strike an absolute rocket of a shot form 15 metres, so powerful it bounced back out of the net as quickly as it went in.

ACT then settled into the match and quickly found an equaliser in the 10th minute. A defensive error allowed dangerous striker Cindy Doyle in for a successful shot.

In the 30th minute, ACT took the lead when further hesitancy in the NSW defence allowed ACT to steal possession resulting in a 2-1 scoreline from Danielle Hepperlin's strike.

After the break, NSW ITC had the better of possession, constructing some good openings and looking at their most dangerous when building up the flanks. A number of good scoring chances were created with Boyd and Elizabeth Cotton unlucky not to equalise. ACT's defence held firm, with their attack looking at its most lively on the quick break.

One such break in the 74th minute resulted in Doyle again in front of goal blasting her shot into the top corner to take ACT further ahead at 3-1.

From the resultant kick-off, NSW surged forward, slipping the ball inside to Gill Thomson who cleverly lobbed the ball over the defence and keeper, the ball falling just under the crossbar for NSW to immediately reduce the deficit to one goal.

NSW ITC: Karen Lawes, Bronwyn Boland, Gill Thomson, Maria Calligas, Renae Bevan, Joanne Peters, Kelly Golebiowski, Katrina Boyd, Nicole Davis, Lisa Collins, Amanda Boyle, Danielle Clarke, Danielle Smith, Sandra Stavrou, Elizabeth Cotton, Cassandra Kell.

ACT ITC: Tory Turner, Dior Foxhill, Sacha Wainwright, Amanda Butler, Danica Ralston, Amy Taylor, Amy Wilson, Angie Bean, Karly Pampa, Cindy Doyle, Danielle Hepperlin, Melissa de Ryck, Sam Sheedy, Peta-Claire Hepperlin, Felicity Cox, Tracey Fluoro, Amy Beattie.

COERVER COACHING

Coerver Coaching finally comes to Australia. Soccer NSW has signed an agreement to promote Coerver Coaching throughout Oceania.

The video first shown on television of young players displaying outstanding technical skill, triggered peoples imaginations. The method was initially created in the late 1970's by European Cup winning coach Weil Coerver, who, together with Coerver school directors Alfred Galustian and Charlie Cooke, has since established Coerver Coaching world wide through soccer videos, articles, coaching clinics, and soccer schools.

Soccer NSW has organised for Mr Galustian and his assistant Mr Tom Byer to come to Australia to advise Soccer NSW officials on how Coerver Coaching will be run throughout the Oceania region.

Alfred is the International Director of Coerver Coaching. He worked for many years with Weil Coerver and in 1985 was asked to head up Coerver internationally. He has since been responsible for establishing programs in Europe, Canada, Japan, Africa, United States and now Australia. Alfred is currently a coaching consultant to the English Schools Football Association and the Football Association of Ireland.

The program for the Oceania region will be based at Soccer NSW headquarter at Valentine Sports Park with Oscar Gonzalez, a qualified Level 3 coach with Soccer NSW, given the task of running the eCoerver Coaching program.

Mr Galustian will arrive on Friday 16 February and stay 7 days. His schedule is:

Saturday 17 (9am-12noon) Cromer Park, Dee Why, Sydney

Sunday 18 (9am-12noon) Valentine Sports Park, Glennwood

Sunday 18 (3pm-5pm) Bates Drive, Kareela, Sydney

Wednesday 21 (6pm-8pm) JJ Kelly Park, Conniston, Wollongong

Thursday 22 (6.30pm-8pm) Pluim Park, Ourimbah, Gosford

Anyone interested in finding out more details in Mr Galustians visit can contact Oscar Gonzalez on 629 1800 or 015 941431.

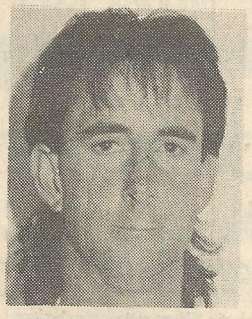
ONE OF THE GREAT GAMES!



IAN MARRIOT
on the ERICSSON CUP

A tremendous crowd of 9,120 at Sydney United Stadium saw what must be considered one of the Ericsson Cups greatest ever matches as Sydney United did battle with UTS Olympic.

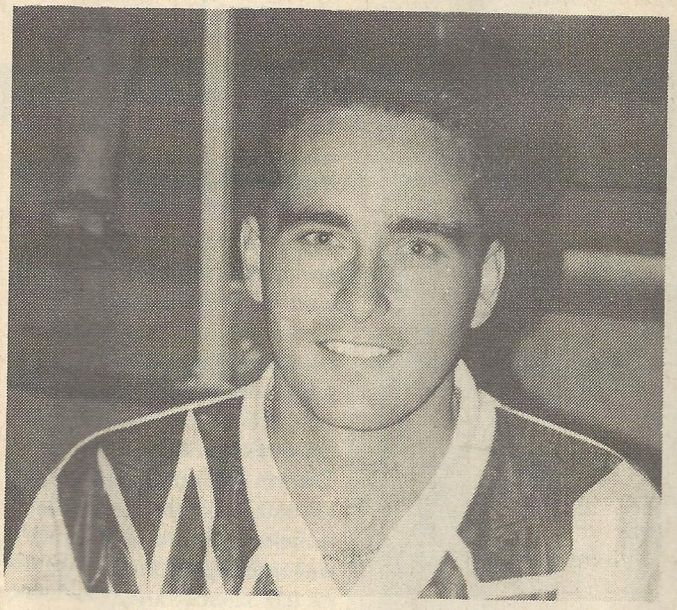
United's Jim Patikas playing against his former club Olympic certainly was an inspired man early on and twice had what appeared certain goals cleared off the line by UTS defender Adam Ciantar.

His first in particular was a brilliant effort which saw his headed attempt beat the keeper only to see Ciantar perform acrobatics to keep the ball out of the net.

It was all United in the opening stages and in many ways, UTS can consider themselves lucky not to have been dead and buried by the break.

As expected Kris Trajanovski provided the greatest danger to united and he gave UTS their best opportunity in the dyeing stages of the first half when a diving header hit the woodwork.

The second period saw UTS much more in the game and they opened the scoring after just seven minutes when a corner resulted in t he ball falling for Ivan Zelic who turned and shot although it appeared the shot was going wide.



Adam Ciantar

A smart thinking Derek Poimer saw the powerful striker adding a vital touch which turned the ball into the netting for the games opening goal.

Branko Cullina was becoming a desperate man and replaced Patikas with fresh legs in the form of Sean Babic and it was Babic who managed to achieve what his fellow players could not when he too advantage of a collision between Bouhoutsos and Zelic which saw the UTS keeper losing possession and Babic calmly sliding his shot home.

Six minutes into injury time at the end of the match Dave Barrett provided a testing cross which was headed back across the face of goal for Trajanovski to score the winner at the death, and didn't he take it well under extreme pressure.United will be disappointed at the realisation that they have now allowed Olympic to score late goals on two occasions which has cost them a total of three point however they remain in fourth position on the ladder and must regather themselves quickly as the Knights and West Adelaide are breathing down their necks. UTS have the opportunity to regain first position this Saturday when they meet Marconi in what should see yet another huge crowd turn out.

STRIKERS DOWN COSMOS

Canberra Cosmos lost their second game since the break going down to the in form Brisbane Strikers 2-1 last weekend.

The scores were locked at 1-1 when Gary Phillips latched onto a poor clearance by Canberra and let fly with a scorcher from long range.

Earlier Brisbane had taken the lead when Frank Farina played the ball in from the right of the penalty area for Danny Wright to receive on the edge of the area.

Wright drew three defenders and simply laid the ball off for Brad Ditton left unmarked beside him to drive his shot past the 'keeper.

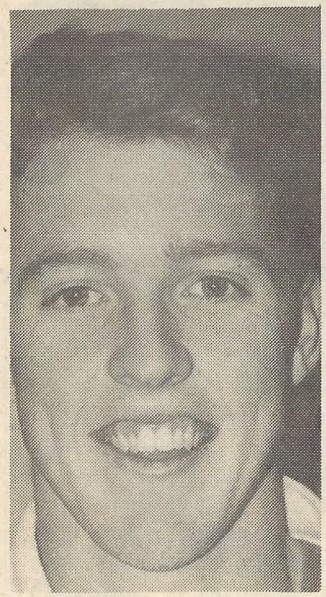
Alex Castro in only his second match for Canberra caused numerous problems for the Brisbane defence but the Canberra equaliser came via a huge slice of luck. Brisbane keeper Clint Bolton raced off his line to clear a loose ball just inside the area on the goal line but to Bolton's horror his clearance ricocheted off a Canberra attacker straight across the face of goal for a simple tap home.

Champion striker Frank Farina was kept scoreless but still managed to cause headaches for the Canberra defence with his jinxing runs and late in the match came close when he hit the upright.

UNFORGETTABLE WEEKEND FOR MARCONI'S FRANCIS

Marconi and Socceroo striker Francis Awaritefe has enjoyed a weekend he will never forget, scoring Australia's only goal in the match vs Japan on Saturday night at Wollongong and then travelling to Melbourne where he played for his club Marconi in a vital match against South Melbourne on Sunday where he was the toast of the Stallions when he scored a hat trick against his former club.

Midfielder Eric Hristodolou opened the scoring in the 18th minute with a long range strike before two break aways by Awaritefe, the second after a



brilliant long ball forward by Hristodolou, saw the powerful running striker make the most of his opportunities and Marconi leading 3-0.

Vaughan Coveney as predicted caused problems for the Fairfielders defence, he really is a man in great form, and he managed to pull one back for South's shortly before the break but the Melbourne team never fully recovered and Awaritefe added his third midway though the second period.

The win keeps the Stallions on top of the table and the stage is set for a tremendous show down with second placed UTS Olympic this Saturday night.

TWO IN A ROW FOR MARIO

Mario Jerman scored his second goal in tow outings for Wollongong Wolves last weekend when they travelled to Hindmarsh Stadium for the clash with West Adelaide.

His headed goal came after just four minutes of the match and give the battling side a great boost but they had not counted on the fast improving Cyrille Ndongo Keller who managed a hat trick of goals on the night in the 22nd, 32 and 68th minutes as the Wolves once again failed to come up with the goods and showed they really need an injection of spirits to lift them out of the trough.

UNDERMANNED MORWELL SUFFER WORST DEFEAT BY ADELAIDE CITY

An undermanned Morwell Falcons has suffered one of its worst defeats on record at the hands of a determined and dominant Adelaide City.

Falcons without star strikers Warren Spink, who suffered an injury whilst training with the Australian National team, Brian Bothwell who is suspended and midfielder Sean Douglas, also suspended, despite their efforts proved to be no match to the might of the South Australian Zebras.

Adelaide, led by the formidable combination of Damian Mori, Brad Hassel, who created one opportunity after another and tore the Falcons defence to shreds, took command form the very beginning and did not allow the Falcons to show the class it did against Newcastle last week.

Ironically, it was Adelaide who came from a 7-1 drubbing at the hands of Brisbane Strikers.

Following a cautious and fairly even start, the home side took the lead in the 14th minute when Hassel delivered a delightful through ball to Mori who beat goalkeeper Jim Kourtis.

From that moment Adelaide played a clever and patient attacking game. They sough the opportunities and pounced at ever chance. Hassel and Mori were teaming well together and at the 35th minute they again broke through with Hassel again feeding Mori who extended Adelaide's lead.

Four minutes later Craig Foster made it 3 nil.

Thirty seconds into the second half, Mori, form another perfect through ball from Hassel showed his third and Adelaide's fourth.

The Falcons' fate was sealed at the 64th minute when in a role reversing situation Hassel scored from a Mori delivery.

Despite the defeat, Falcons are still within reach of the top six and with the return of the above mentioned key players and the imminent entry of Fijian international Esala Masi, the team is confident of regaining the form shown earlier in the season.

Preview with Ian Marriott

VITAL MATCH FOR UNITED

A vital match for both sides each of whom desperately needs to gain all three points.
United's brilliant defence should be able to handle anything that Morwell can throw at them an I feel that Sydney could well bag a heap of goals against a side which has proven to be brittle in the backline once their opposition get ahead.
Adelaide City recently found this to be the case when they opened the scoring in the 16th minute and from then on it became a procession totalling five.
Morwell began the season in sparkling form and were scoring big wins as they cruised through the competition but suddenly they hit a brick wall and have never really recovered.
Even though they are playing away from home Sydney United should prove too strong and if they can find some form in front of goal then it should be a cakewalk.

WOLVES LOOK TO STRIKE BRISBANE

Brisbane have prove to be this seasons surprise packet and are currently sitting well inside the top six.
Much of the credit for the sides success has to be attributed to Frank Farina who has added not only a brilliant goal scoring ability to the team but also a huge amount of experience.
The Wolves, even though they are placed poorly on the table, are certain to improve as the season grows older.
The face a tough task travelling to Brisbane to face a side which is capable of demolishing any other in the league as they proved so effectively against Adelaide City only a couple of weekends ago.
But the Strikers can be hot and cold and the Wolves may cause an upset if they can frustrate the opposition.

BREAKERS CONTINUE TO STRUGGLE

The Breakers continue to struggle some what in the Ericsson Cup although there are signs that they are beginning to improve.
From the start of the season, Breakers coach John Kosmina made it very clear that it would take a few months before his team would begin to make in roads into the competition.
Much of the current problems are confidence related and it may only take a couple of good results to ignite the fire and see the team really become a problem for their opposition.
This weekend against Canberra Cosmos they have a great opportunity to gain some of that confidence.
The match is certain to be an exciting one as neither coach is prepared to sit back and see what happens, both preferring to take the game to their opponents. Canberra must win in order to stay in touch with the top six candidates.

HEAVYWEIGHTS AT MARCONI

Obviously match of the round status as the two heavyweights of the 1995-96 season line up against each other for the second time this year.

The first clash resulted in a drawn match in front of a huge crowd at Leichhardt Oval.

Marconi Stadium is expected to be packed for this clash as well. The Fairfield side will need to keep a sharp eye on Kris Trajanovski who has been in outstanding form for UTS organising the midfield and providing plenty of headaches for opposing defences.

The match also marks the return of Marconi Stadium for Kimon Taliadoras who will be very keen to score against his old side and the match is certain to bring the best out of this super player.
Marconi striker Francis Awaritefe has been in outstanding form recently and has begun to get amongst the goals once again in recent weeks.
Along with Andrew Harper who is experiencing one of the best season at the club, the two are certain to cause major problems for the UTS defensive unit

If fit Matthew Bingley is another who has been playing well for the Stallions and UTS will need to have a plan to counteract this attacking forays.
On paper their is little between the sides and if a result is to be had, it may well turn out to be the side which has that little extra luck on the day.

ANA Competitive in the Air and on the Ground*

The more miles you fly, the more quickly you'll discover the distinct advantages in choosing ANA to travel to Japan. That's because we've built our airline's reputation by taking care of the needs of travellers in the air. With a modern, wide-bodied fleet. An enviable on-time record. And the kind of inflight service that other airlines talk about. Now, we've made ANA an even more pleasant experience on the ground, with our comfortable Terminal 2 business lounge at Narita airport and our convenient new terminal lounge at Haneda airport. These are two more distinct advantages you'll find only on ANA. With flights to Japan from 19 international gateways in 12 countries, and the most competitive route network inside Japan, we deliver the convenience and comfort travellers demand. When your next trip calls for a flight to Japan, let ANA make your Japanese experience the very best.
